

# FIXATIV – THE SWEDISH TOOL FOR ELECTRIC STAPLING.

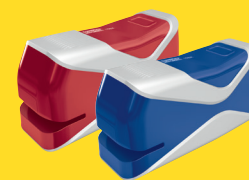

www.rapid.com

## WHAT MAKES A GREAT STAPLER?

After 75 years of leading the world of stapling the experts at Rapid simply smile and say it is Svensk Effixity. Swedish design know-how and technical expertise is built into every product. This Fixativ Electric Stapler has been designed with a wider opening to make it even easier to use – giving you the perfect solution you need.
